Playwright

MILTON MUCKER

Milton Mucker, senior, has written two lengthy plays, which Mrs. Elizabeth Lord's four senior English classes are reading.

The first play is based on several historical novels telling of the early life of Elizabeth Tudor.

Play number two is a modern tragedy with deep spiritual qualities. The hardships of a ghetto family come to life in this play.

It is hoped that the second play may be put on for the school in a convocation. If this is possible, it will have choral reading and a chorus group.

"I feel it could be appropriately given for church youth programs and other organizations," commented Mrs. Lord.

Local youth group to sponsor Decent Rally

The youth group of First Christian Church, Washington Indiana, along with Bethany, Montgomery, Indiana, and Antioch, Washington, Indiana; both Christian churches, are going to sponsor a Decent Rally here. The rally will be held on April 30 and May 1-2 in the WHS auditorium. A definite time has not been set for any one of the programs.

The speaker for the rally will be Sketch Erichson. Mr. Erichson is a well-known commercial artist. He will use his art work to express his ideas more clearly. Mr. Erichson will present a program entitled "Pop Goes American". This program in-

ARTISTICAL NO LESS--The 1971 prom is being busily prepared. Several students have donated their time and talent in this early preparation. Pictured are (l to r) Vernon Poland, Mr. Ken Ziegler, junior sponsor, Debbie Ulrich, Jeff Thompson, and Brad Fleetwood, all juniors.

Prom-time is getting closer and closer. The decorations were ordered Wednesday, March 24th by the section chairman.

The decorations have a rather contemporary theme style. This has modern material such as plastic, foil, and black lights. They're designed into the theme so that they reflect a more youthful approach to the general overall theme.

The organization of the prom is worked through the use of nine teams: 1) The dome of the dance floor, 2) The walls, 3) The throne, 4) The bandstand, 5) The floor plan, 6) The food, 7) The tunnel approach to the floor, 8) The picture taking booth, and 9) The design cover to the program.

No official word has been said about the limitations of people who may attend. This must come through the administration.

cludes different programs on drugs, pop music and problems that teenagers have.

On Thursday, April 29, Mr. Erichson will present a convocation to the student body at 2:00 pm. Preceding this program he will present one at Barr-Reeve.

Master Chairman is Dan Gress, senior, Advertising Chairman, David Haskins, senior, Special Groups, DeWayne Duncan, senior, Rob Burkhardt, freshman, Publicity Chairman.

Room 221 reports

Our library, here at WHS, is one of the nicest and largest libraries in the area. It has approximately 7300 volumes presently and the goal by the end of the summer is 8000.

If a student is carrying a full load, six subjects, no study halls, it makes it difficult to make use of the library. The library doesn't open until 8:10 am and students do not have enough time on their noon breaks, unless they skip the eating part.

The last resort for students is after school. Generally speaking, after one gets out of a club activity its 3:30 pm before one is in the library. The library closes at 4:00 pm and 30 minutes of research a day will not write a good term paper.

My suggestion is to leave the library open after school till around 7:00 or 8:00 pm on maybe two or three nights a week. This way it could serve the students, and teachers, in a better way. It doesn't have to be open late every night, but two or three would really help.

A WORD FROM OUR BELOVED EDITOR

First of all I would like to say that I am very happy to be here. Secondly I'm glad you're out there and not in here with me.

Denny Arney, 1970 graduate of WHS, was probably one of the most popular students who ever attended our school. Denny, commonly known as Gumby, was always humorous in his own manner. Playing practical jokes, skipping a few classes his senior year and being a happy guy are just a few things about him we're all sure to remember. He participated in football, golf, Red Cross, Pep, Varsity, Drama, German, Latin, and Science Clubs and was a member of the Washingtonians. Denny contributed greatly to the Demolay organization, serving as Master Counselor for one term and holding the position of State Marshal and State Master Counselors' Aid. He was born April 12, 1952 and died March 25, 1971.

Karen Newton, Diane Greene, and Pam Beasley are on tenor sax. On the baritone sax is Shirley Barber. Those playing cornet include Elizabeth Beadles, Reba Lee, Ronnie McGillem, Diane Allison, Mike Snyder and Rick Stradtner. Those playing trombone include Pam Gress, Ceil Billings, Rosie Pegler and Emma Farquer. Mark Coleman and Vernon Poland are bass players. Jim Baldwin and Bailey Frye play drums. The piano is played by Angie May.

The only concert that the band has planned as of now is for open house.

THERE IS NO SUCH THING AS A STRANGER, JUST FRIENDS WE HAVEN'T MET.

Musical on the way

MR. DAN MCDANIEL

Scenery and props are well on their way as songs and dances are practiced weekly.

Mr. Don Spillman with the student chairmen Jane Coleman and Stan Charles are proceeding to build sets and scenery for this year's musical, 110 In the Shade. Directed by Mr. Dan McDaniel, it will be presented April 21, 23, 24.

M-MMMM DELICIOUS--Students from Miss Lynn Hodges 3rd period advanced Spanish class enjoy a real Spanish meal. The meal was cooked in the home-economics room by the students themselves. This is one of the many advantages of taking a foreign language.

GRUMPY BUMP TAKES HONORS--Kenny Wright poses by his SS Chevy.

BY: DAVID BROWN

Kenny Wright, senior, received "Mean Machine of the Month" this past Wednesday. Wright drives a 1955 Chevy, two-door sedan.

Wright's car has such extras as, "Aucra" gauge, Chevelle four ten rear end, "Indy" mags, "Fenton" slotted chromes and "Thrush" mufflers.

Wright runs a 396 "rat trap" with 396 competition heads and cam, "Kuston Headers," "Holly four-barrel," "Muncie four-speed", with a "Hurst" bench seat shifter and a "Schiefer" clutch.

Wright's "Grumpy Bump" has hopes of becoming functional in the near future.

SLINGERS EDGED OUT

The Bye Dirtslingers almost upset the Vampires last Tuesday, but a three second hook shot by Mike Kirchner and an intercepted pass by John Queen saved the Vampires in a 63-62 victory.

The Dirtslingers fell behind 34-22 at the end of the first half, but a fast attack almost gave the Vampires their fourth loss in three years.

The Dirtslingers went ahead of the Vampires by only one point the second half.

Coach, Varrell Gregory of the Vampires said today that this was the last game for the six seniors on the team. The Vampires ended a three year season 19-3.

The top scorers for the Vampires in double figures were Richard Raymond scoring 19 points. John Queen,

Steve Cox, and Mike Kirchner scored 16, 13, and 10 points respectively. Others who scored were Steve Granger with 3, Mike Wade and Rick Smith with one apiece.

Double figure scorers for the Dirtslingers were David Abel, 16; Tim Armes and Lon McMurtrey, 11 a piece, and Don Brawley with 10. Other scorers were Dan Gress and Jay Jones with eight and six respectively.
